

Cherry Hill Public Schools Bond Ad Hoc Committee Charter

The Cherry Hill Board of Education has agreed to the formation of an Ad Hoc Committee to serve as a conduit for information review regarding the failed 2018 Bond and for recommendations regarding a future Bond. The Ad Hoc Committee will review:

- Information gathered at the five Public Forums in February and March 2019 regarding the Cherry Hill Public Schools Bond
- Online Survey results from a comprehensive community survey conducted in March 2019

The Ad Hoc Committee will then develop a well-informed public perspective resulting in recommendations to the Board of Education for future bond referendum development. These recommendations will be considered by the Board of Education in conjunction with:

- Architectural/engineering expertise
- Current and future building needs
- Administrative recommendations
- State project guidelines

The Board then will develop a comprehensive future referendum that will address the district's security, educational, systems and infrastructure needs in a cost effective, efficient manner.
